SAFESTEP®

Anti-Slip Fiberglass Reinforced Plastic Step Covers

Preformed anti-slip step covers immediately creates a durable, safe and slip resistant surface. SafeStep is available in medium and extra coarse grit as well as a variety of sizes. Ideally suited for stairs, landings, platforms, ramps and wash down areas.

- Excellent slip-resistance, even when wet
- Virtually indestructible and can withstand vehicle traffic
- Easy glue and screw installation
- Interior and exterior use

Corrosion and chemical resistant

Great for stairs with heavy traffic

Excellent slip resistance, even when wet

Soft Step - Anti Slip Fiberglass Reinforced Plastic
