

**KRUD KUTTER® PET CARPET CLEANER**

**DESCRIPTION AND USES**

Krud Kutter® Pet Carpet Cleaner contains special surfactants that releases pet stains for immediate cleaning. Beneficial microorganisms enhance long-lasting cleaning by penetrating deep into carpet and padding to degrade the residual soils and organics. It is certified safe for all carpet types including nylon and wool.

Krud Kutter Pet Carpet Cleaner is effective on a variety of stains including tracked-in dirt & mud, grass stains, pet urine, pet feces, pet vomit and more.

**PRODUCT**

DESCRIPTION	SKU
650 mL Trigger Sprayer	370213

**PRODUCT APPLICATION**

**Note: Do not mix with any other chemicals.** For best results, treat stains immediately and do not over saturate carpet. Some stains will cause permanent discoloration even after cleaning.

**PRODUCT APPLICATION (cont.)**

**DIRECTIONS**

Always test on an inconspicuous area for colourfastness. Remove any excess solids or liquids. Turn nozzle to spray position. Spray 15-20 cm (6-8”) from the surface and allow to sit 5 minutes. Blot with a clean, absorbent and colour-fast cloth and allow area to dry completely. For tough stains, scrub gently with a brush and repeat as necessary.

**FIRST AID:** Contains Octanesulfonic acid Sodium salt. If swallowed, call a Poison Control Centre or doctor immediately. Do not induce vomiting. If in eyes or on skin, rinse well with water.

**KEEP OUT OF REACH OF CHILDREN.**
